6th Grade Summer Math Assignment

Assalamu Alaykum Dear Students,

Congratulations on becoming 6th graders Masha'Allah!!

This year, you have been actively engaged in learning a variety of new math skills. To help you review these concepts and keep your math abilities sharp, you are asked to complete some assignments on Khan Academy over the summer. Please follow the instructions below.

All assignments must be completed and submitted by **September 9th, 2024.**

Step-by-Step Guide to Completing Assignments on Khan Academy

1. Log in to Your Khan Academy Account

- Go to khanacademy.org/join
- Enter your class code and press "Add"

Class code: **AZSVRETQ**

If you don't already have an account, press "Create a new account". Enter your date of birth, then sign up using Google, your school email, or by creating a username.

- Enter your grade and course. Now you're ready to start learning!

2. Navigate to Your Assignments

- Once logged in, you'll be taken to your dashboard.
- Click on your profile icon in the top right corner and select "Profile" from the dropdown menu.
- On your profile page, click on the "Assignments" tab. This will display all the assignments given to you.

3. Select an Assignment to Work On

- In the "Assignments" tab, you will see a list of all your pending assignments.
- Click on the assignment you want to work on. This will open up the specific exercise, video, or article you need to complete.

4. Completing Exercises, Quizzes, and Unit Tests **(must score at least 80% on each)**

- For exercises and quizzes, read the instructions carefully.
- Solve the problems provided and input your answers. Make sure to double-check your answers before submitting.
- Click on the "Check Answer" button to see if your answer is correct.
- If your answer is incorrect, review the hints or watch the related video tutorials provided by Khan Academy.

5. Watching Instructional Videos

- If your assignment involves watching a video, simply click on the video link.
- Watch the entire video. After watching, you may need to answer some questions related to the video to complete the assignment.

6. Submitting Completed Assignments

- Most assignments on Khan Academy are **automatically tracked**, so once you complete an exercise or video, it will be marked as done.
- Ensure that you have followed all instructions and completed all parts of the assignment.

7. Ask for Help if Needed

- If you encounter difficulties, use the hints provided or watch additional videos for further explanation.

Additional Tips

- **Stay Organized:** Keep track of deadlines and manage your time efficiently to ensure you complete assignments on time (all assignments are due on **September 9th, 2024**)
- **Practice Regularly:** Regular practice helps in retaining concepts better. Use the "Practice" section on Khan Academy for additional problems.
- **Explore:** Take advantage of other resources on Khan Academy, such as course recommendations, to further enhance your learning.

By following these steps, you can efficiently complete your assignments on Khan Academy and make the most out of the educational resources available.

Practice, excel, and have a great summer!!
